CAREER OBJECTIVE

Automation VA with remote experience building Zapier, HubSpot, Airtable, Slack, and Asana workflows for an international team. I set up automations that generate contracts and client assets, keep CRM and database records clean, and remove manual admin work. Computer Science graduate, comfortable with webhooks, REST APIs, and JSON when a no-code tool hits its limits.

SKILLS

- **Automation:** Zapier (multi-step Zaps, webhooks, filters, scheduled workflows), n8n, Asana automation rules
- **CRM and databases:** HubSpot CRM, Airtable (schema design, formulas, data audits), SQL
- **Integrations:** REST APIs, webhooks, JSON data parsing, Python
- **Tools:** Slack, Asana, Google Workspace, ClickUp, Trello, Notion, Excel, Tableau
- **IT admin:** staff onboarding, password vaults, 2FA and access setup

EXPERIENCE

Junior Tech Specialist

The Professional Builder (2025 - 2026)

- Built 25+ automations across HubSpot, Airtable, Zapier, and Slack that auto-generate contracts, client assets, and team alerts, replacing 30–60 minutes of manual prep per contract.
- Connected CRMs, cloud drives, and task boards with REST APIs and webhooks so data synced in real time without manual copying.
- Audited Airtable bases and HubSpot properties across the business, fixing schemas, formulas, and time zone/DST errors.
- Set up scheduled post-delivery workflows and Asana tracking boards, saving the team 10+ hours of admin per week.
- Handled IT onboarding, password vaults, and 2FA access for 25+ staff across Australia and New Zealand.

Head Video Editor

Hey Matt! (2023 - 2025)

- Set up asset management and production workflows so 15+ videos per month shipped on time across all major social media platforms.
- Managed client deadlines and created branding assets for client channels.

EDUCATION

Bachelor of Science in Computer Science specialize in Machine Learning

National University - Dasmariñas

Thesis: Optimization of Short Conversational Turns Transcription for Tagalog, Cebuano, and Hiligaynon: Integrating Transfer Learning and Quantization

AWARDS, TRAININGS AND CERTIFICATION

Data Analytics and Visualization Essentials
Department of Information and Communications Technology (DICT) Cordillera Administrative Region
